BALLOU'S MONTHLY MAGAZINE. - This very story, "The Derwent Eyes and Hair," is "The Lady of Lindenwold," is intensely interesting, while "Paul's Romance," by Miss Hale, and "My Darling," a poem by Jumes Franklin Fitts, are among the choicest of magazine reading, making this one of the best numbers of Ballou ever issued.

The publishers offer unusual attractions for the coming year. With the January number the Magazine will be enlarged to Derryberry. one hundred pages, and several new and attractive features introduced. Miss William of Overseers of Roads. h as written a romance entitled, "So as by story for boys, entitled, "Old Hugh's Look- his stead. off," which will be finely illustrated by Kilburn, and will appear in the new department, called "Our Young People's Story-Teller," a popular author will furnish a charming, story for Girls, while there will be at least a dozen other stories and poems of the teresting, all complete in the January num- ment.

It will be seen from the foregoing that Ballou's Magazine for 1868 will eclipse its | Chas, E. Polk et al. present excellence, while the extraordinary year, or 15 cents a number. Clubs receive her heirs. it for \$1.25. The proprietors have good cause for calling it "the cheapest magazine in the world." Published by Elliott, Thomes & Talbot, Boston, Mass.

The Northern and Southern Farmer.

The New Orleans Picayane of a late date, in remarking upon the blight that has fallen on the planting interests of the Southern States by the destruction of the negro labor system and the desolating hoof of war, LEGAL BLANKS printed at short notice. We keep War- the men of the cotton growing States a draws the following contrast—which all will novel but stress remader for the ille that confess in some of its features is just-between the farmer in the Northern States casily understood. I propose to every tween the farmer in the Northern States planter to destroy all his cotton seed except and the Southern planter. The necessities six bushels, so that no man can plant over of the case will in the future, to a greater or less extent, compel the adoption of the advice given by the Picayune. Hard work, The present crop has absorbed, or lost, economy and personal application must one-half of the capital of planters, and take the place of the loose system of farm. take the place of the loose system of farm. ing through agents and by proxy, and the thriftlessness and extravagance which has of cotton, always raise the price on the eve heretofore characterized the business of cotton planting:

"The Northern farmer gets rich because for one thing-he cannot run in debt as here. There is no one to make him advances by the thousand and ten thousand dollars. If he is industrious and hardworking, he may get a few months' loan to Mr. McElwee, the new Warden of the hire or provision laborers withal. If he has Ore penitentiary at Nashville, took possession of valuable hand, he may mortgage it to borrow money, but he cannot borrow it on his expectations. He therefore must raise little et. al. things which sell readily, and not all of suspicions implements concealed under the one crop, to be brought to market at the of B. F. Davis, adm r, et. al., vs. Nancy beds. A close search brought to light over end of the year. As he cannot borrow Cowan et. al. money to buy mules and horses, he tries to a bushel of files, saws, butcher knives, brass raise them, and he takes constant care of Order pro confesso in case of Richard knucks, chisels, and other suspicious imple- such as he has. Care, economy and a self- Tally et al. vs. heirs of R. J. Eortner, dec'd. ments, which were stored away under the supporting policy constantly adds to his store. He has few purchased delicacies, but many home-made comforts. He is so on a proper occasion, by the convicts, in necessarily always at home that he makes cape. Had the discovery not been made, a nor village hotel scaks up much of his Why cannot our planters do as well?

We speak only of and to such as are fit for More than a year ago a watch and chain. a planting or farming life, for a man without the industry or courage to work will not worth one bundred dollars, was stolen by a do well in that or any other mode of life burglar from Albert Parsons, of Springfield, but a man whose fingers know how to plant, property was found between the window and out of this demoralization of negro labor,
